45.000 friends in 4 days for Facebook page by Brandhome's online team

Just a few days ago, Brandhome's online team came up with a new (Dutch) Facebook page, called 'Geeky facts guaranteed to keep women out of your bed'. In less than 4 days, the group amassed more than 45.000 friends, worth a reach of more than 1 million Belgian and Dutch Facebook users. An unprecedented success. Thanks to an impressive amount of media-attention, the page is still growing in numbers.

More than 45.000 Facebook friends in 4 days time with zero budget. The Brandhome online team proves once and for all that the best ideas aren't always the most expensive ones. Next up: a UK-version of the page and keeping the page successful using the Brandhome online skill set.
